

Kilmacolm Community Council

Secretary's Annual Report 2023

This year has been another challenging time for the Kilmacolm Community Council although we have been able to meet in the Kilmacolm New Community Centre. We have continued to monitor planning applications which affect the Kilmacolm and Quarriers area and object to those which it is felt have a detrimental effect on the area.

Throughout the year we have continued to receive emails from members of the community. We have endeavoured to respond to these as soon as possible to resolve the queries.

We continue to maintain our Website and Facebook page to help improve communication with the village.

The Community Council was able to hold the annual Christmas Raffle and carried out litter picking around the village. In addition, we arranged the fete to celebrate our late Queens 70 years on the throne and had a stall at the recent coronation celebration at Carriages. We would like to thank all those who supported these activities.

I regret that I will be unable to stand as secretary for 2023 -2024. I have returned to work in the NHS in Oban. This entails many Tuesdays away from home. I would like to thank all the committee members for their support during my period in office.

Andrew Brewer

Secretary, Kilmacolm Community Council
